Please Note:

Exchanges are not made for inaccurate sizing. These are not Jersey sizes, nor are they T-shirt sizes. The shirts must fit tightly. Because the shirts are specifically designed to ensure an accurate and tight fit, please size according to the chart. We find that teams consistently oversize. The Taylor Haugen Foundation's YESS(c) program is not responsible of inaccurate sizing.

Please let us know how many of each of these sizes to outfit your entire team.. We request that you keep a record of each team member's size to expedite the process the day of the fitting. Thanks and we are grateful to support your organization! God Bless
